- Nature of science
- History of science

Pinelands National Reserve

PowerPoint created by: Thomas Dunn

tdunn@lehsd.k12.nj.us

Grades 4 and up

Step into the Pinelands National Reserve by viewing a PowerPoint presentation (<http://www.lehsd.k12.nj.us/tech/Estuary/elive.htm>). The area is located in the southern and central New Jersey. Its waters run into the Mullica River and Great Bay Estuary, which results in a pristine watershed and estuarine environment.
